Kuopio-Tahko Pre Tour 13.1 – 16.1.2024

KUOPIO-TAHKO

A place where experience is more important than achievements. Where the people are the best friends you haven't met yet. Steeped in unique Finnish tradition and surrounded by thousands of crystal clear lakes. That's Kuopio, Tahko and Savo. And we promise that wherever you choose, freedom, adventure, and hospitality awaits. There is always something to do in the Capital of Lakeland. Whether you prefer vibrant city living, peaceful nature, or adventurous sports, visitors of all ages will never get bored here. In the winter, a different type of magic comes alive. When the lakes freeze over you can skate, ski, or walk on the frozen surface and stare into the snow-covered distance as far as the eye can see. For the adventure junkies out there, choose a snowmobile or kicksled or hit Tahko's famous slopes for alpine skiing and snowboarding, and, of course, some after-ski fun. Museums, art exhibitions, concerts, theatre plays, and other live events happen all year round and delicious restaurants and a lively nightlife both add extra spice to your holiday.
